Re: application of A. Petersen Water Company for increases in rates and charges for utility service

My name and address are listed below.

There are two people in our household. We do not have a lawn. Our landscape consists of a few shrubs, flowers, and frees.

The current rate is already three times higher than our office in Taylor, 8 miles away. Many of the residents in the subdivision are on a fixed income and this increase could cause financial hardship. There are no fire hydrants in the neighborhood, so we also pay higher insurance rates.

We are without water a number of days each year and our water pressure is very low. A copy of our last water bill is enclosed, \$162.41. It won't be possible for us to pay higher rates.

Sincerely,

Danny and Merlene Foshee
